

Students Advancing to the Adult Class

What students should know before advancing to the adult CE class:

The Old and New Testament: The books are divided into two testaments, by definition; two covenants-old and new. In the Old Testament we find that God made a covenant with the Jewish people through the Law that he gave Moses. The New Testament speaks to the covenant made by Jesus by way of his crucifixion and resurrection. Through faith in his death, burial and resurrection we're promised eternal life.
